Please see the attached letter. While his email mentions wrapping this up next week, I fully expect that we will be able to have more time if needed to get this done. Thanks for everyone's efforts so far on this. I look forward to seeing what they provide us next week.

Tinka,

Attached is a letter outlining the issues that we discussed on Tuesday that will be further clarified in the draft permit to follow no later than tomorrow. OEPA fully realizes that USEPA has until Monday to submit official comments, but due to furlough timing and the fact that we are very close on final resolution, we are willing to extend the time line until the end of next week so we can resolve these issues and avoid a formal objection. I greatly appreciate your teams willingness to work together. Happy New Year.

Scott
